

JANE DAVILA

BLOCK PRINTING

Supplies List

Explore the timeless art of block printing on fabric in this engaging workshop where creativity meets craftsmanship. Learn to craft blocks from a variety of materials and substrates to print your own bespoke textiles. Participants will delve into the fundamentals of block printing with lessons on how to select and mix paint, how to carve and cut blocks, and various paint application methods. Discover the magic of registration, ensuring the precise alignment of each layer for seamless multi-layer prints. Dive deeper into the art of pattern-making as you explore techniques for creating repeat designs. Beginner to Advanced.

Kit Fee: 20, includes all supplies to create multiple blocks of a variety of substrates, paints and mediums.

Supply List;

1 -2 yards of fabric (prewashed cotton in white or light-colored solid), cut into fat eighths or fat quarters.

1" x 2" foam brushes

Baby wipes or paper towels

Drawing paper and pencil

X-acto knife or small sharp scissors
